

APPENDIX – REQUIRED SUBMISSIONS

The Contractor is to submit with its Tender the below required information to be evaluated on a pass/fail basis:

Agreement to Bond

Submit a bond letter stating that the Bonding Company will supply, upon award of the contract, the mandatory Labour and Materials Payment Bond and Performance Bond as required below.

Performance Bond and a Labour and Materials Payment Bond each in the amount of 50% of the total Contract value. These Bonds must not be substituted.

Project Schedule

Provide a schedule outlining the various steps needed to complete the work and demonstrate they understand the scope of work needed to complete the project. This can be demonstrated by way of a Gantt chart, or other format of project schedule. The owner reserves the right to review any portion/stage of work schedule with any proponent to determine intent and satisfy themselves that the schedule is reasonable.

This work is expected to commence on as soon as possible and be Substantially Performed on or before September 1, 2019

CCDC11 – Qualification Response

Include a completed signed and sealed CCDC11-1996 (R2006) document. The CCDC 11 is expected to demonstrate that your firm has completed recent projects of a similar scope, value and complexity to those being applied for. Select projects based on relevance to the scope of this Project (i.e. Construction during occupancy, value, size, similar type of renovation, and aggressive timeline).
