Site Instruction #11

To: Talco Building Innovations Ltd.
4728 Bank Street, Suite A
Ottawa, Ontario, K1T 3W7

Project: Carleton Place Arena
Neelin Street

Date: April 06, 2021

Site instructions are issued only for the purpose of recording any clarification or interpretation of the contract documents or giving direction on problems resulting from field conditions. These instructions are subject to the provisions of the contract documents and unless stated herein and specifically co-authorized by the Client, will not affect the contract. Should the contractor require a change in the contract price or project schedule, he shall submit to the architect within ten (10) days of the date hereof, an itemized proposal. If the proposal is accepted by the client, this site instruction will be superseded by a Change Order

General meeting discussions, April 01, 2021

GENERAL:

.1 Larry Gaines was advised, in conversation with Peter O’Gorman of Enbridge, that Endbridge could install the proper protection of the gas service meter. All in attendance agreed that this is the best way to proceed. Please advise Enbridge of this decision when co-ordinating the service installation.

PER: Larry Gaines
Architect
